

Dear valued guests,

After decades of proudly serving filmgoers in the Plano community, it is with much regret that we must advise you that the **Angelika Film Center in Plano has closed.** For the last 20 years, it has been a great honor, as the manager of the Angelika Plano, to present area audiences with not only the best in independent and specialty film, but also the best in global cinema.

A variety of economic challenges have made it impossible for the tenant to sustain its cinema in Plano.

We have truly appreciated your patronage. Thank you!

**Sincerely,
Angelika Film Centers (Plano) LP**
